ForestClan, AlliegTinykit was wandering the forests, alone since her parents had died from a badger encounter 1/2 moon ago, But then she saw a cat, who was bigger and older than me. I backed away from the cat but the cat said,"Don't worry, I wont hurt you", So, I came closer to the cat, then she said," My name is Bramblecloud, what is yours?,"I said," T-Tinykit," Bramblecloud said." I'll take you to our camp, ok?" Then I said," Ok,". Then, from that moment on,

Chapter 1 (Moon 1 in the nursery)

Tinykit woke up from the nursery, yawning and stretching,but she saw something in the corner of my eye, It was kits, playing A game clans, where a single kit was a clan and they play fought. So, I decided to play, so I said," Can I play?" One of the kits answered," Sure!, but you have to be ForestClan," I said ,"YAY," So, it was DragonClan (Falconstar and brackenheart) vs.ForestClan (tinykit, happykit and 8 other kits) Falconstar lead DC and i lead FC. Then, I whispered to my teammates," First, jump onto Falconstar then, when she falls down, tackle Brackenheart," Then Falconstar said," CHARGE!!!!!!" then I said ,"CHARGE," too. So we jumped onto Falconstar first, since there were 10 kits on her, it was hard to carry. So 10 seconds after we jumped on her, she fell to the ground, perfectly ok and she said," Aww you beat me," Then we tackled Brackenheart, he fell to the ground, and we used our secret attack, THE TICKLE. so he started laughing and saying," You beat me," So, then we won the game, but then, we heard something growl loud. Falconstar yowled," BADGER!!!!!!!!!,"

Chapter 2 (still Moon 1 in the nirsery)

As Falconstar was alerting everyone there was a badger in the area, The queens protected us. Falconstar said," Bramblecloud,Snowtail,,Bluepelt,Brackenheart and

Leaftail, I will lead this battle patrol while the apprentices and the queens quard the kits,"I had no idea what was happening, so I said ," Can I help,?" Falconstar said," No, you're too young,"So, I was stuck here while playing mossball with the other kits. but then, I heard a help! So I rushed to Seatides den and said," I heard a HELP!!!!!!!!!," But before I could finish, Seatide, with her supplies, went in to help.And when the battle was over, One warrior was fallen, and that was young Leaftail. but Falconstar said to us," Do you guys want to be on a kit patrol?," We all said ,"Yes!!!!," This is going to be fun!!! I thought

Chapter 3 (Moon 2 in the nursery)

As we started the kit patrol, I found the first catmint. So I brang it to Seatide and she said," Thank you Tinykit," (Not much happenes until I receive my warrior name)

Chaper 4 (Moon 6 in the nursery/Moon 1 in the apprentices den)

As Falconstar yowled," ALL CATS OLD ENOUGH TO CATCH THEIR OWN PREY GATHER BY THE HIGH BRANCH FOR A CLAN MEETING!,"I went to the Clan Meeting Falconstar said ,"Step up Tinykit," I stepped up. Then falconstar said,"This kit as reached the age of 6 moons, Until she has recived her warrior name, she will be named, Tinypaw, and her mentor will be Heatherstorm. They started cheering ,"Tinypaw!Tinypaw!Tinypaw!," But then, there was a low growl right outside of camp, Falconstar yowled,"FOX!!!,"
